Step 2: Take the Career Survey

Or, head right to the Mindful Modules, depending on what your teacher has assigned.

Note: You can leave any section of the survey blank, if you don't have an answer.

Welcome to ChatterHigh

If you are here for College and Career Prep, you will be asked to complete a short survey. If you are here to complete coursework from your school, you will not have to complete the survey now. You may be asked to complete the survey later if you choose to try the College and Career prep quizzes.

Career Survey **Modules**

INTEREST PROFILE SURVEY

After selected quiz questions we will ask about your knowledge and interest in the following categories; **Colleges & Universities** **Programs & Majors**, **Jobs & Careers**. This will help build your personal interest profile.

To help us find your best College & University match, begin by complete this INITIAL SURVEY.

Step 3: Join Your Teacher's Class

Click on your name in the top right corner to find and join your classes.

The image shows a user interface for managing classes. On the left, a sidebar for 'Virtual Elementary School (Ontario)' shows a user profile with '10300' and 'Deborah D'. Below this are menu options: 'My Classes' (circled in red), 'Forums', 'My Account', and 'Log Out'. A large red arrow points from the 'My Classes' button to a list of classes on the right. The list is titled 'All Classes at Virtual High School (Ontario)' and includes 'Ms buzz math', 'Ms. Smith Careers', and 'Ms. Smith'. Each class entry shows a student name ('Elaine B' for the first), a 'Grade' button, and a 'Join Class' button.

How It Works: Quizzing

Whichever activity you choose, you will be given a series of questions and corresponding research links to help you find the answers.

Click "Research" and get exploring!

The image shows a composite of two screenshots. On the left, a mobile device displays a quiz interface for 'Brian Camenzuli'. It shows a green progress bar with '+50' points, a teal bar indicating '1 of 10' questions, and a question about Brian's hobbies. A red arrow points from the 'Research' button at the bottom left to the career profile page on the right. On the right, a desktop browser shows Brian's career profile on 'let's talk science'. The profile includes a photo of Brian, his title 'VP of Design & Engineering', and his employer 'KARIBU Solar Power'. It also lists his sector (Engineering), birthplace (ON), location (ON), education (University), and type (Career Profile). A red arrow points from the 'Report' link at the bottom left of the profile back to the quiz interface on the left.

How It Works: The Top 5 Interest Report

You will also unlock a new interactive report that allows you to choose your top 5 post-secondary institutions, programs of study, and jobs & careers. Then you can create a downloadable report that compares your choices. It's a great way for you to see how your favourite institutions measure up against each other.

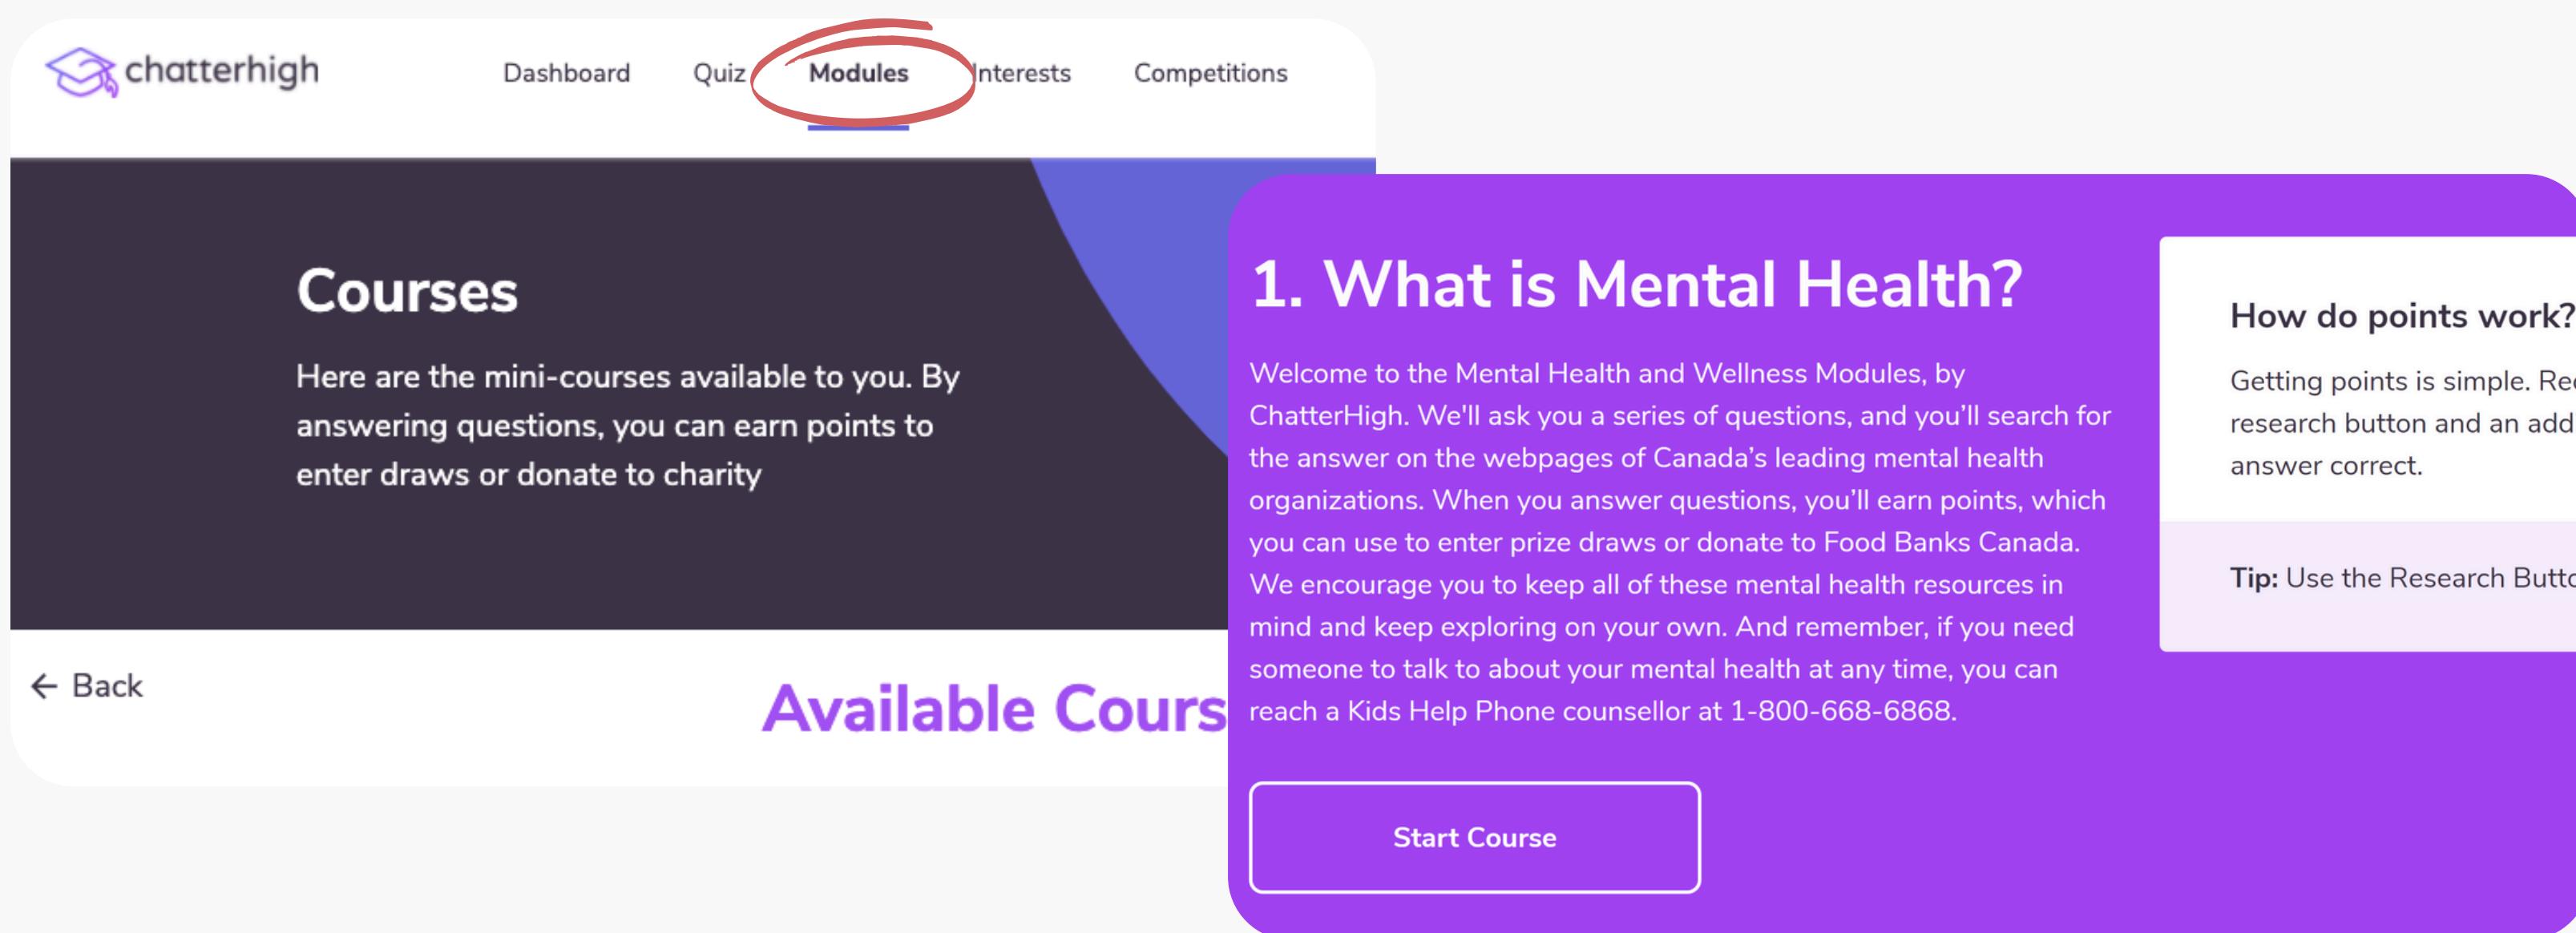

The image shows a laptop screen with two main windows. The left window is titled 'Your report is based on the selections you make below (both from rankings or new selections), in the order you select them.' It has three tabs: 'Colleges & Universities' (selected), 'Programs of Study', and 'Jobs & Careers'. Under 'Your top ranked Colleges & University', there is a list of 10 institutions with ranking numbers (4.0) and toggle switches. A red arrow points from the 'Programs of Study' tab on the laptop to the 'My post-secondary matched - Programs of Study' table on the right. The right window is a table titled 'My post-secondary matched - Programs of Study' comparing five institutions: Olds College, Dalhousie University, University of New Brunswick, CCNB, and Mount Allison University. The table has sections for 'General Areas of Study' and 'Specific Areas of Study', with checkboxes indicating the presence of various programs.

1. What is Mental Health?

Welcome to the Mental Health and Wellness Modules, by ChatterHigh. We'll ask you a series of questions, and you'll search for the answer on the webpages of Canada's leading mental health organizations. When you answer questions, you'll earn points, which you can use to enter prize draws or donate to Food Banks Canada. We encourage you to keep all of these mental health resources in mind and keep exploring on your own. And remember, if you need someone to talk to about your mental health at any time, you can reach a Kids Help Phone counsellor at 1-800-668-6868.

How It Works: Your Dashboard

17

The dashboard features a navigation bar with 'chatterhigh' logo, 'Dashboard' (circled in red), 'Classes', 'Challenges', and 'Competitions'. A profile icon shows a teal and blue animal head. The 'Current Points Total' is 1100, with a red arrow pointing to the '1100'.

Contests: A section displays 'No Contests running for your school' with left and right arrows. A red arrow points to this section with the text: 'Check here for ongoing competitions for your school, district, province, or for Canada.'

Badges: A list of badges with progress bars: Attendance (0), Scholar (0), Researcher (1), Forum (0), and Donations (0). A red arrow points to this section with the text: 'Earn badges as you quiz, and see where you rank!'

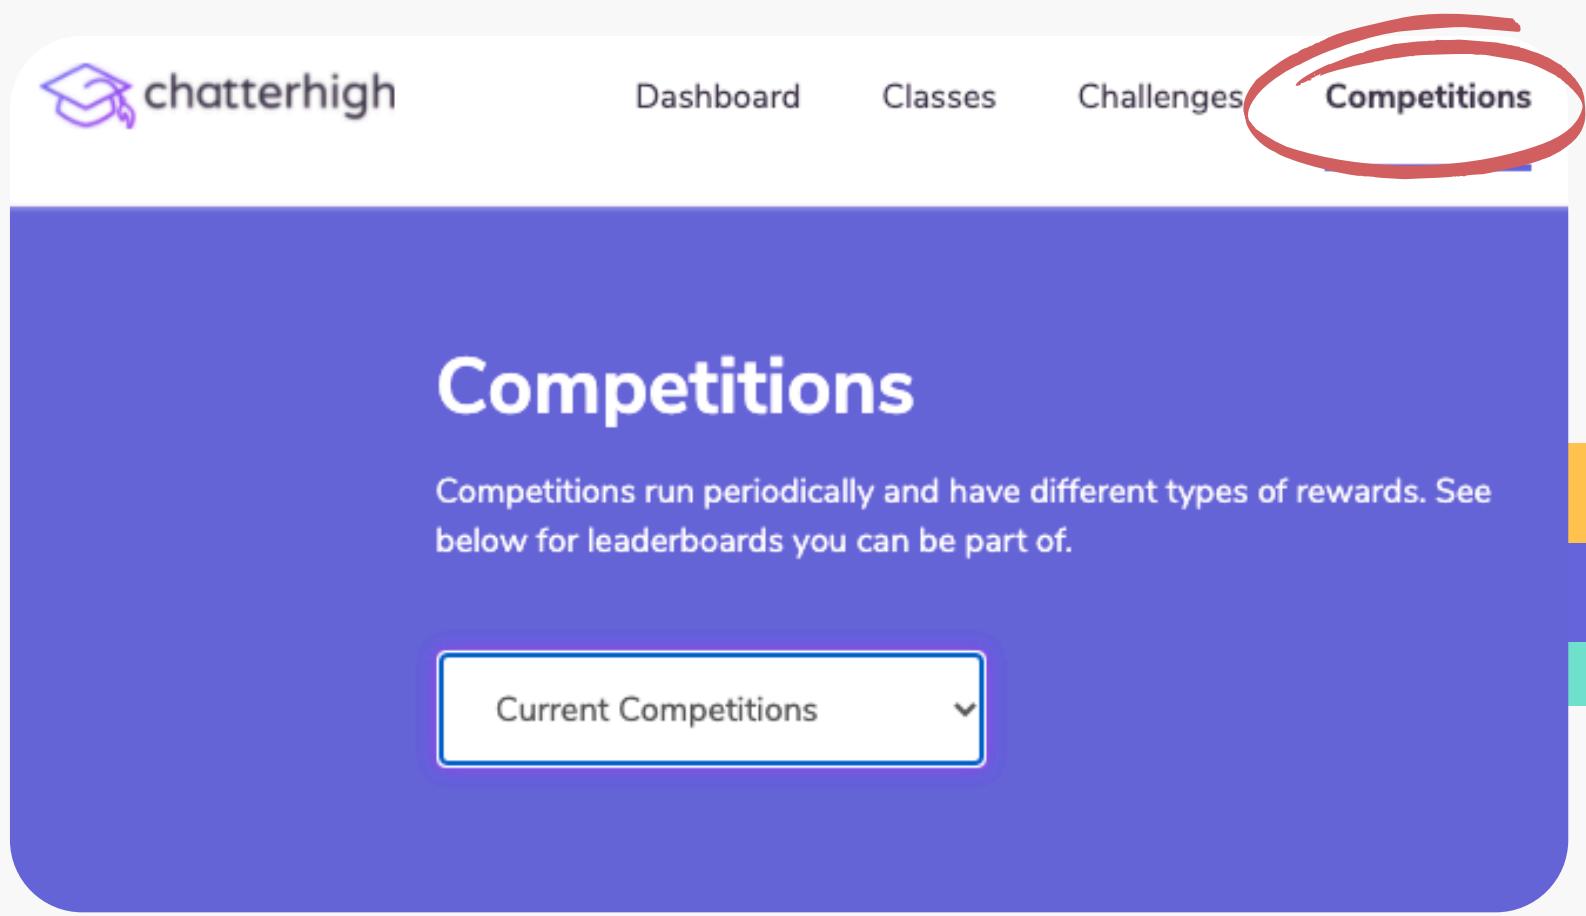

Rank: Shows 'My Rank: This Month' as '#3231' with left and right arrows.

Points: Shows 'Current Points Total' as 1100, a 'Redeem My Points' button, and 'Bonus Points' as 0. A red arrow points to the '1100' with the text: 'Watch your points grow with every question you research and answer correctly.'

As you quiz you will earn points and level various badges. Bonus points start at level 10.

How It Works: Competitions

You and your school are automatically entered into any national and provincial competitions. Depending on the competition, you can earn bursaries, gift cards, and money & tech prizes for your school, just by answering questions in the Daily Quiz or modules.
